“ Boy, what a great life Leroy had. I have always admired him as being a great man of great character, as I am sure all of ya'll do. In the years that I knew him he made me feel right at home..like he was my own Grandfather. I will always cherish the special times that I shared with such a great family. He was surrounded by love, and is remembered wtih love. I pray that all of you find comfort in each other and God, and thank goodness we will see him again someday. I love you all.##imported-begin##Amanda Howard##imported-end##
