Tribute Wall

“ Mom, there is so much I would like to say but you already know what is in my heart. We got to talk and have some laughs before things got so bad for you. The day I was sitting on the sofa with you holding your hand and I told you how much I loved you and you looked right at me and said "you love me." and you told me you loved me too. I will always cherish that moment. I could not have asked for a better mother-in-law and your gift of your son to be my husband for all of my life. He is such a great person and so loving but then you know that. You are free now and safe in anothers arms and care. Watch over us and we also will all be soon enough. Love always, Tenna###imported-begin##Tenna Stanfill###imported-end##
