*I remember when I called you one time while you were in Florida. And you told me the story about when you and Robert went walking and what the bird did to Robert. We just laughed and laughed that day on the phone. What a memory I know, but it's the 1st one that came to mind. I'm gonna miss you, and aggravating you about them lions by the driveway and aggravating and picking at you by calling you a Battle Axe, and then you would tell me I'm gonna battle axe you and we would laugh and hug. Thanks for the talks, laughs, and love. 🍷🍷❤️*
