“ *Barbara I'm so sorry for your loss. You mom is someone I thought a lot of over the years. We worked at Bill Sills at the same time in different departments. But we talked about old times that we had over the years. When I left she was just getting her new trailer setup on the property that she bought from Shorty Harris. Had not seen her in years but thought of her and you over the years. God be with you and the family at this time. Linda loved and will miss you. Forever in my heart.*
