“ I got to know Lisa several years ago. Barbara and I had some Memphis State Tigers ticket and she went us. The trip was so much more fun with her. Loving personality and always thinking of the other person. Me being a stranger of the bunch, She went out of her way to make me feel more comfortable. Things like this a peson will never forget. Thanks Lisa for being the kind of person You was. I know You are very chippy and happy meeting our Savior now. David Rhodes

“ I did not know Lisa, but my daughter Katie had the pleasure of meeting her and getting to know her at school at WTBC. They shared a class together. In conversations, my daughter must have mentioned that she doesn't cook well, so Lisa gave her some hand written recipes and would give her pointers on how to cook, as my daughter is getting married in May. She was very saddened to hear of Lisa's passing and just went on and on about how sweet she was to her. My daughter will miss Lisa very much as she made a lasting impression on her. Our sympathy, thoughts and prayers are with you and your family during this time.

“ Lisa worked for me at Kmart for years, her first job fresh out of high school. She was an intelligent, witty, caring person. Always diligent, always dependable. We never lost touch and she was looking forward to the next chapter of her life. I am so sorry for the family for the loss of Lisa. May she rest in peace in the arms of the angels.

“ I'm very sorry to hear about your loss. I fondly remember Lisa. I don't know how many times I walked to Marcon Street to play with Lisa when we were little girls but it was alot. We always had so much fun together. I haven't seen her in years but I know she will be greatly missed by her family. I remember a sweet and fun girl and she will always leave a happy thought in my memories. Love, Sheila Ervin-Knowles.
