I don't believe there was anything she could not do. She feed cows, horses, and my family for years. She loved spending time with my boys showing their pony. I depended on her just like she depended on me. I miss her!

“ *This best describes how I felt about Ms. Louise since she was such a dedicated loving woman to everyone, especially my son Tim Thompson. She was his first grade teacher n she had the patience of JOB so to speak. If Tim was home I am sure this is what he would say about her. SOME PEOPLE COME INTO OUR LIVES AND QUICKLY GO, SOME STAY FOR AWHILE AND LEAVE FOOTPRINTS ON OUR HEARTS AND WE ARE NEVER THE SAME. WE WILL NEVER FORGET THIS PRECIOUS LADY AND WILL FOREVER BE GRATEFUL FOR THE THINGS SHE TAUGHT EVERYONE NOT JUST THE CHILDREN SHE HAD IN HER CARE DURING SCHOOL HOURS.*

“ Miss Louise inspired many generations of young people, by teaching the basics of life and early educational development. She had a no nonsense approach to her profession, balanced her career with dignity, patience, and alot of love. I consider myself fortunate to have had such a guide, early in life. My condolences to her family at this time of sorrow, from one of her former pupils. Second grade, 1977 Reagan Elementary. Leon Meek

“ Miss Louise was one of the most loving and compassionate people I ever knew. Altho she was not one of my childhood teachers, she was my mentor in the area of Early Childhood Development. In the summer of 1972 she asked me to be her assistant in the first Head Start classroom in this area. She was so patient and caring for each child and I learned to love that profession because of her. The next year she recommended me for the position of teacher and that began my40 year career in the Head Start program. Miss Louise was my example, my leader, and most of all, my friend and a very positive influence in my life and the lives of many others.

“ Ms. Louise taught many of us to read in first and second grade at Reagan Elementary, now South Side Elementary. As Wanda White said, she took many of us to basketball ballgames, 5th -8th, because she loved us and knew we needed the ride. She taught me many lessons such as get your homework done and then get ready for the game. She knew nature was important and took time to let us watch the birds outside our classroom window.

Most people have heard that a good teacher reaches far beyond the classroom, that is certainly true of dear Ms. Louise Martin.

“ Ms. Louise was my 1st and 2nd grade teacher at Reagan Elementary School. She was always so sweet and kind. I always loved her. Her mother Ms. Molly was a cook there and we had the best lunches. We all were more like family then anything. I will always remember them and cherish the sweet memories. R.I.P. Ms. Louise I love you.
