“ Aunt Louise was the ideal picture of someone that lived life to the fullest with Christ at the center of her being. Her legacy of being there for others is incredible. My entire life is full of memories and she is a MAJOR part of them....she was there to watch me cheer, there to sew "whatever", there to smile at my wedding, there at the birth of our child, there at each of our homes, there just having fun and sharing herself so unselfishly!!! I will miss you Aunt Louise!!!

“ Reed, my dad, Travis Lewis, worked with Zade at the Electric System. I loved it when I was younger Mama and Daddy would take my brother and I to go and visit Mr. Zade and Mrs. Louise. Even at that young of an age, I admired how Mrs. Louise took care of her mama and daddy. Bless you during this time of loss and know you had great parents! She loved you all very much and talked about you every time we would visit.###imported-begin##Cindy Lewis
