“ *Dear Jane, Joan, John, and Lori,
I am heartbroken to hear of Lucy's death. She was one of my closest friends for years. If everyone was like Lucy, the world would be a wonderful place. I've known the family since I was very young, but Lucy and I became close through church and scouts. So many wonderful memories. I do wish I could have been there.

“ *Dear Aunt Lucy, it's too bad we all didn't live closer. I am so thankful
for the time we all had together, especially the reunions and
especially the singing and laughing. You had a wonderfully long
time here on earth and now may you forever rest in peace.
However, I cannot help thinking of all your siblings in heaven and
the welcome you will receive. Our thoughts are with all of the
Tennessee bunch at this time. Love, Sandi, Don, Dan and Mike

“ It meant so much to me when Lucy and her family came to visit us in Naples. I was so surprised and thrilled to see her dancing in my living room. She seemed so happy. I couldn't believe it. I will miss talking to her everyday and hearing her favorite line in her southern accent "I'm just about the same". Love you, Lucy.
