“ Ms. Nell was my first and second grade teacher and I loved her so much. She always made me feel like I was "Teacher's Pet" even though I had to sit under her desk a lot for talking in class. She was a very, very good teacher and my favorite.

Ms. Nell was also my first grade teacher. She put me and 2 other girls under her desk and pushed the chair in as far as it would go. I think it was for talking. Not so sure that is a good memory! Prayers for the family.
