“ We are so sorry about the passing of your mother. We did not find out about her death in time to attend the visitation or funeral. You all take care of yourselves and rest in God's love and peace during this difficult time.

We will miss her at church at FBC. We saw her in December in church and sat across the pew from her. She was such a nice lady and we loved her a lot. Take comfort in knowing that she is with God and all of your loved ones in Heaven.

If we can help in any way, please let us know.

“ Dear Mike and Betsey~Just learned of Margie's passing. I am so very sorry. I loved her, and will miss her. She was so faithful to Mom as a neighbor, and to me as a friend. I know this is such a shock. I wish I could be there, but Lee and I live in East Tennessee now. I got to see her last summer when I was visiting old friends in Lexington for a few days.

I will pray for you. Maybe she and Mom are neighbors again!

Love

“ Mike and Betsy,
Sorry we couldn't make it down, I guess I'm too old to drive that far without a little more notice. We really enjoyed seeing your Mom Christmas, she told us some things about the old days that I never heard before. We'll be thinking about you.###imported-begin###Bob & Cole Patterson & Brenda Brooks###imported-end##

“ Our deepest sympathy goes to you and your family during this time. I know it is a void in your life. Our moms are treasures that have been there for us throughout the years supporting us and loving us in all our stages of life. Your mom was a very loving and caring person, a good Christain lady. I'm glad to have known her since our childhood days, spent time at your home and laughed with both of you. May those and other fond memories be with you. May God bless you and watch over you--Love, your friend,
