“ I cannot find the words to say just how badly I feel. Dr. White & Martha had been in my life for so long. Martha wasn't just my nurse\_she was so much more. I could call her if I wasn't feeling well & she would say to me "well, honey you just put on a housecoat and come right on up here.". I don't know what I will do now. GOD in heaven knows how much she meant to me. I think I can truly say she loved me & I loved her. To her family, Dr. White, & Gina I want you all to reflect the awesome memories you must have.

*I'm Sorry, I'm Sorry, I'm Sorry\_

“ Jeff,  
*I'm so sorry to hear about Martha. She was a best friend to me, easy going, free spirited, kind to everyone, always willing to help, always ready to take a ride to the river to eat fish, and was most certainly a pioneer women who loved to cook and can fruits/vegs. Martha enjoyed working for Dr. White and never wanted to retire from her job. She will always remain in my heart. I will miss you mother very much.*
