My sister who at age 6, heard me , as her newborn sister crying upstairs. She went up, carried me down the steps, changed my diaper and fed me. She continued to care for me till her death! She was the greatest person and my soulmate! The laughter has stopped, I miss her so much!! Love, Kathy

“ Dear Steve, Keith and Cindy...I am so sorry to hear this. I am heartbroken. Your mom was the best. Last time I spoke with her we laughed the whole time that we talked. So many memories from Foodland, our visits to Tennessee and just talking on the phone, and her visits to Pittsburgh. We always made sure to send long letters in our Christmas cards. I'm sorry that I can't be there for all of you. May she Rest In Peace. Prayers for all of you. Mary Lou, my friend, you were always so happy no matter what life threw at you. You were a wonderful friend, a dear mother who loved her family, a proud grandma and great grandmother. Oh how you loved those babies. I'll miss you. ❤️😭

Oh how much fun we had at E.W. James laughing and making a game of getting the most customers and much more. You gave your heart to people and animals in distress and spent countless hours caring for those you found in need. Your spirit of love and generosity will live on in the memories of all who knew you. One day we will meet again in God's Heavenly Home. God blessed me to have spent time working with you and knowing about your care for others.

“ You! We’re my sunshine in a storm, a smile to my sadness, and my positive to my negative. The sweetest living soul, next to my mom, to ever be a Blessing in my life! I don’t think there ever was a time when you weren’t smiling! And it continually lifted my spirits every time I talked to you. I am truly going to miss FaceTime conversations, but most importantly...I’m going to miss you! I already do. My heart hurts so bad. But I know you’re up in Heaven “tucking” it up with my momma! And Heather. Until I see you again, I love you more than words. 🥺🤔❤️
