“ *BJ, I am so sorry to hear about your mom. I have been thinking about the good times we all had together when you and John were kids; the exciting baseball games and the all night trips, and watching both of you get knocked down during football games and trying our best to get you grown up in one piece. I know you were the light of your mom's life and having you got her through alot of bad times. If there is anything that I can do for you, please do not hesitate to let me know. Thinking about you, Ms Ella###imported-begin##ELLA LEWIS##imported-end##*

“ B.J.,

*We are so sorry for your loss. There are no words now that we can say that will comfort you. Only our Heavenly Father can do that at this time so trust and depend on Him. The book of Psalms has many passages that are helpful. You know we are here for you if you need us so please call if you need anything. We love you.
