“ • To Mike Hart Family- Mike was a good man and a friend of mine- I was Mikes softball manager and independent basketball coach- Mike was voted the Most Valuable player in the 1976 Lexington Bicentennial Softball Tournament- In five games Mike (Snake) hit 13 home runs- I would put up my pay check that Snake could hit a softball farther than any player in West Tennessee and in the Nation as for as that goes- He just had that natural softball swing, plus had the muscle behind his swing- Glen (my brother) informed me a couple of years ago that Mike was in the hospital- I went to visit him and we had a nice talk about our renaissances. I have mentioned Mike many times since that visit and I will miss him very much- He had a demeanor untouched by anyone- I know you will miss Mike and so will the community he lived in- I am so sorry that we have lost Mike- “Please let me know if you need anything at all during this difficult time-“ Helen Keller once said; ”Never bend your head. Always hold it high. Look the world straight in the eye.” I feel that Mike live this- Helen Keller went on to say- “What we have once enjoyed we can never lose. All that we love deeply becomes a part of us.” Mike was a part of me- I will never forget him.
