“ I am so sorry to hear the news of Mike's death. We met years ago in school, soon after his family came to Lexington. He made friends quickly because he was always open and honest and welcoming to all. He will certainly be missed. My heart is with you Sandra. I know your beautiful memories, your strong family, and many friends will bring you comfort now. I cherish memories of the years we worked together and watched our children grow up. Brian and Dustin, you and your beautiful families are a tribute to Mike...everyday.
Sincerely,
Dian Helms Brown

“ To Sandra and Family- Some folks are saying that Mike was a good man- Not Me, I disagree; Mike was a Great man!!- I knew Mike for more than 50 years and during those years I never seen or heard he had a cross word with anyone- He had a demeanor untouched by anyone-
He had a special influential to Henderson County and to Me- I was thrilled that my daughter (Tylean) married into his family- I knew she would receive the love that Mike and family would give her- I had appreciation for Mike that he had the courage and the spur entrepreneurship to go into his own business, something that I never developed- Every time I seen Mike, he always had a smile and happy even though he was sick-
I know you will miss Mike and so will the community he lived in- I am so sorry that we have lost Mike- “Please let me know if you need anything at all during this difficult time-“
Helen Keller once said; ”When it seems that our sorrow is too great to be borne, let us think of the great family of the heavy-hearted into which our grief has given us entrance. And inevitably, we will feel about us their arms, their sympathy and their understanding.”

“ Mike Jones was a wonderful man. He watched me grown with my pregnancy and thought I would have my child in his store. As a joke he tied the trash can behind me the day I went into labor because I wash being hard headed and wouldn't leave and go to the doctor. Well about an hour before my shift ended he came back and gave me no choice. Needless to say my child was born the next day. He was a wonderful boss and all around person. Prayers sent to his sons and wife. So sorry for your loss.
