“ Well Daddy, we wish you were here to see your beautiful granddaughter D'Lila. You would just fall in love. She has brought such a joy into many of our lives as she would have yours too. She's got out 'Prater Ears', as Tonya calls them. She's just so beautiful, Daddy. Looks just like her momma. Didn't think I'd ever be so blessed, having what I have now. A beautiful family, a good job, a home to call mine. I do what I do every day not only to make a living but to make you proud. I miss you so much and Em misses you too. Until we meet again, Daddy, we love you.

“ Daddy,

Today is March 11, 2014. Your beautiful granddaughter will be 1 year old March 27, 2014. And I have to say, a lot of people say she looks like you. (I am thankful for that).

OMG.... Her eyes, sometimes it feels like I'm staring into yours; some days it kills me to the core, but over all i am blessed to see some part of you. We all miss you dearly and love you so much.....

“ *Welp Mike, I didn't know you that well until we moved down here. You saved momma from her job when you fixed her black car. We all appreciated it. When kyle an jasmine an her momma an sister came an stayed a couple of days with us, you were all me, kyle an momma could talk about. I can tell you your son really really misses you. He talks about you a lot. You have thought him right from wrong. I wish you were still here to see how great he is doing. He is such a great young man! We all miss an love you soo much!*

“ Mike, I miss you too. I remember his laughter when I would tell him I knew it was him in his white truck because I couldn't see his head, all I could see was knuckles. I know you are ok and taking care of my Tommy, Barbara, and meemaw. You never called me Kathy, you always called me Kappy. I miss you all, but I will see yall again someday. Please let Tommy know that my heart still aches for his tender touch. Thanks for being my brother in law. Kathy
