“ I loved spending time with Miss Mildred, our conversations consisted of laughter and stories. Recently we made a blanket together and she refused to stop until it was done, all while recovering from her broken collar bone. Miss Mildred was such a sweet lady and I believe I am a better person for knowing her! I'll miss her very much!!!

and the blankets were a complete success ! Loved showing up at Mildred' door with a bag or basket filled with yarn and watch her smile during the whole length of our visit. Mildred, I loved you and will miss you dearly.
