“ I have been a lucky man to have had such a great mother for 67 years of my life. I have been very lucky that she was at 100% of her mental abilities up to the last days.

*For the past 15 or 20 years I called her every morning at 6:00 am; sometimes we would talk for 30 minutes and sometimes for 2 minutes. If I was more than 10 minutes late she would call me worried that something was wrong. When she went into the nursing home the calls had to stop because she couldn't get to the phone and I missed them and will always miss them.*

*Mom's life wasn't easy, when dad had the accident in the early 60s that almost killed him she had to go to work and still take care of him which she did until the day he died.*

*She was a great cook and her banana pudding and chicken & dumplings were the best on earth; I'm glad she took the time to teach my daughter to make them as good as she could.*

*I'll miss mom every day but knowing that she is now with my dad is some comfort because she missed him and lived without him for 28 years.*
