“ Norman helped teach me to fly, but he also taught me some very important things about life, lessons that I've never forgotten, memories that will never fade. Clear as if they were yesterday, helping me still in so many ways; his example, his lessons are second nature to me now.

My deepest sympathy, prayers for friends and family.

“ Norman,

From one professional pilot to another; I was proud to know you, talk with you and be around you. You were as good as it gets, not just as a pilot, but as a human being. I only hope that when my days are over, my family can be as proud of my legacy as yours can be of yours.

Goodbye old friend.##imported-begin##Bob Garrison##imported-end##
