“ Odell was a very close friend for the past 45 years. He was an outstanding teacher of agriculture and FFA Advisor at Marysville High School in Marysville, Ohio. He was National FFA Alumni President 1978-79 and served several years on the board. I will remember Odell as a leader, a doer and one always serving. Odell was very involved in creating the annual National FFA Alumni Auction that raised thousands of dollars each year to support FFA members in all 50 states. I started teaching agriculture in Madison County, Kentucky and Odell had graduated from Berea College also located in Madison County. We enjoyed wonderful conversations over the years about our ties in Madison County Kentucky. -Woody Cox
