“ Go rest high to one of the sweetest ladies in my life. She has been like 'family' for the 49+ years since we moved back to Henderson County and traded with her at the store. She was that way to all her customers. Our family loved her like family. I know Teresa, Cristy Greg, Landon and Cody will have a void now without their Nana. May your precious memories and God's comfort sustain you at this time.

“ Aunt Opal, you were always sweet and filled with good humor. Knowing you was a joy, and I will always be grateful for that opportunity. Life took us in different directions, but you greeted me with love and affection each time you saw me. Thank you for being part of my life, and rest well.
