“ you and your unconditional love for your findres like Chandi are amazing.I am really amazed at how wonderful you are she is when you are together.It is a pity that you cannot come to ChristChurch and spread your inspiration around here as our non-human findres have been completely unsettled by our continuing earthquakes.If I make it to England one day to see you and Chandi perform I will be happy to meet you and shake your hand.Watching your videos are so inspiring and bring happiness to our bleak days##imported-begin##Daniela##imported-end##
