“ *My mom always said that Uncle Sid and Aunt Jane used to carry me around like I was their ragdoll since they were so young when I was born. We were so close in age and used to spend a lot of time together. Even though I didn't get to see you as often as I used to, my love for you never faded. I will hold on and treasure those times and our last conversation. Love and miss you! Tell Grannie hello and I miss her.*
