“ I remember Ralph and Dale when our parents would visit Tennessee. We would stay at Sudie Ducks house. My sister Betty Carol would go off and visit her relatives. We wouldn't see her until we got ready to head home. Phylis would play with Vickie, and I don't know who else. We would go over to Ralph's house and have catfish and hush puppy fries right in the driveway. We would the walk up to Graper's house and fish in the pond. We would drive around and visit relatives. Grandma had a 300-acre property, and I would spend time out there shooting my bebe gun. We are traveling up in May on Decoration weekend and that will give me time to talk to you Ralph.
