“ *My father left us with many wonderful things. One was to value where we came from and who our friends were even if we don't get back home as often as we like. One thing I cherish is that my father was dancing with my mother when he left. What joy he must have had. Knowing that your parents didn't have to say goodbye to each will hopefully ease the pain with time.##imported-begin##Linda Houston Steiger##imported-end##*
