“ My Aunt Ray was the sweetest person ever. She was always so good to me and my family. I love her dearly and I will miss her terribly but I know she is in a better place where there is no pain or sorrow, She spent her life taking care of folks from her Uncle Burgess to the many children that she cared for while their parents worked. When you asked her how she was doing she always said very well. She would always say come back when ever you get a chance. I am so proud to say that I am her niece. You know it was by marriage since she was married to my daddy's twin brother. But in my heart there was no difference that if we were blood related. I love you Aunt Ray and I will see you again one day. Love Jean
