“ *I am sadden to hear about the passing of Rick Benson. I have so many memories of him and Aunt Dolly caring and loving him that it is so over whelming. I pray that mother and son have been reunited in Heaven, and their Rick will have a new body, with no pain. I believe that Rick made this world a better place by being who he was and by touching all those that faithfully loved and cared for him, for so many years. RIP dear Rick, I know that you are in a place we all desire to enter one day. May we meet again. Love Darlene Dyer*
