“ *We first met Bob "several" years ago, way back before Tracey & Michael got married. He quickly became an integral part of our "horse family" & celebrated all of our victories & helped us forget about the losses. He was truly a friend through thick & thin. Bob was always a delight to be around we loved his ornery sense of humor. We will greatly miss him, but will always hold him in our hearts. We give our deepest condolences to all the family.*
