“ *Roger Dodger there is only good to say about you. There were times I would say I'm closing this cafe and you would say kid why do you want to do that and as the day went on the next thing I know you would have the whole family in there eating. And you would smile and say kid it's going to be ok. You really put some footprints on my heart. You will be missed by so many people. Prayers to Barbara Dustin Michelle Misty and all those grand babies that are the apple of your eye. It's not goodbye it see you later.*
