“ *Roger was a great guy. I only knew him briefly by working as a management trainee at YRC Freight in Jackson, Tennessee, but I will say he always had something positive to say about everyone. My prayers go out to the family he left behind: both at his home and at his career. Thanks for the memories.*

When I think of Roger it takes me back to many years ago. Having know him for a lifetime lived a mile apart. It doesn't seem real but I pray God will uplift this family today and the days to come Love to all the family...
