“ He was my father-in-law. Even after a divorce in 1980, he was still my father-in-law. He never failed to ask my daughter, Amanda, about me. Got to spend some time with Mr. Hays - aka - Bo - aka - Papa, last year. He told me he loved me and made me promise not to wait until he died to come and see him again. Then COVID came and I never got back. He was a good man - one of the most hard-working men I have ever known. He will be missed, but I'm sure he and Eddy are sharing fish tales right about now... Love you always, Papa Hays!
