“ We were so blessed to have known Rubye during her time in Alaska. We felt an instant connection with her, since we're from Tennessee. She was one of our special friends. And it's nice to know how special she was to other people too! We will miss her sweet smile and funny stories. She left us a wonderful example to follow of a happy Christian woman. We will treasure her memory always.##imported-begin##Pete & Tammie Baker##imported-end##

“ When I was teaching fourth grade, I used to tell my students that imitation is the greatest compliment. Well, Miss Rubye, even though I'm going to be a grandma this summer, when I grow up I want to be just like you!! Every time you walked into the credit union, your smile lit up the whole lobby. Every time you held my hand and said "I just love you!" I knew no one could have been more sincere. I will always hold dear those precious moments we shared. “ Hi Betty Anne and Don and families. I just got the Bulletin from Broad Street C of C and saw about your Mom's death. I am so sorry. Of course I know this is a very difficult time. You are certainly in my thoughts and prayers. What a sweet and loving lady she was!! I was always blessed when in her presence. I remember way back in grade school when she taught our girls Bible class at church. (I will be making a contribution to Broad Street C of C in her memory and honor.) Of course I remember many visits at your house and many special times together. Goodness, what special memories!! May God bless youall with His most tender care. “ We are honored to know Rubye. She is and was a giggle in our day. Her love of God was evident in her desire to make life fun and loving. Her death is a lose for all privileged to be in her company. She told me of her desire for a fancier name. That is why she has a "E" at the end of Ruby. Her twinkling eyes and her spontaneous poems, One of which she gave to me, had a message in the rhyming in love and care.
Betty and JOhn we love you and all you did for Rubye and for everyone you meet. We are proud to call you our friends. God has blessed you both with joy at each day and laughter in the mist of hard times. In Eccl. 3 there is a time for everything. There is a time to laugh and a time to cry. I am crying now. I am hurting because you are. But I know "IN TIME" this emotion will pass to a time to laugh. Rubye is with her Lord and the love ones who passed before her. She is missed, but will never be forgotten.
WE love you. Tom and Anne Rutigliano n17tz and k17tz.###imported-begin###tom and anne rutigliano###imported-end###

“ *Dear Ones,*

To be loved by Miss Rubye was to be loved indeed. I have many wonderful memories of her laughter, her smiles and open heart. Tears filled her big blue eyes when I sang "you are my sunshine" to her, and she often scolded herself for being too silly, which we laughed at.

I imagine she has a garden full of plants, beautiful rocks, little creatures and room for friends.

I will miss her many more times in the years and days ahead.

I am thankful my life was enriched by her friendship and I hope to love my family and friends like she did.

Be at rest my sunshine..##imported-begin##Naomi ##imported-end##

“ I met Rubye nearly 40 years ago when I was only 18 years old. I always called her "Mother" as I had a bond with her that has touched my heart so profoundly that it will guide me the rest of my life. I felt the same love for her husband, Carl, and have missed him greatly since his passing.

She had a loving heart and kind spirit that cannot be rivaled. I love her so much and have told her often. I hope that she has had a happy journey to her next life and cannot wait until the day that I see her again.

Thank you to Betty and Don for sharing this wonderful woman with me all of these years.

*I will always love you, Mother...##imported-begin##Patricia

“ Betty Ann, I was so saddened to get your email about your mother. I know first hand what a difficult journey this is. Please know that my thoughts and prayers are with you and your family. My regards to Don also. We are truly some of the lucky ones that had such wonderful parents. I am so blessed to have dad around to share time with. He is truly amazing. I remember the kindness of your mother - she was so good to put up with us kids. She always had such a great little laugh. I know you are so grateful that you had her by your side for the past four and a half years. She seemed to blossom in Alaska -- Her paintings will be even more treasured now. I hate so much that I won't be able to get to Lexington, but know that you are in my thoughts and prayers. May God's richest blessings be with you at this time. Love,

“ Don and Paulette and family,
My thoughts and prayers are with you as you grieve the loss of your mother and mother-in-law. I had only recently learned of her illness through Don, but I know it has not been an easy road for her and her family. May God be with you in this time and know that you have many friends, near and far, who are thinking of you. In friendship,

“ Our little Rubye Jewel. So full of life and fun. She loved everyone, especially children. It is a priviledge to have been her friend. She was an exceptional neighbor.I am very lucky to have known her. And she was always fun to be around, and a smile and a giggle could always bring cheer. She worked hard tilling the soil by hand in her flowerbeds in Alaska and Tenn. Sunshine, smiles and flowers will always remind of you my friend. :)###imported-begin##Mary Harris###imported-end##
