“ My DAD taught me how to ride a bike, sing a song, play the piano. He taught me how to LOVE, SHARE, FORGIVE and most of all DAD taught me how to LOVE JESUS. HE taught me how to live for GOD with all my heart and soul. Dad taught me how to pray, and trust in GOD. What a beautiful family we had. Dad taught me how to change my own spark plugs, do plumbing, paint, ride a horse, pull logs out of the woods with Doc, and Sam (our mules) WOW!!! come to think of it DAD taught me how to live independently. I LOVE HIM SO MUCH!!! even though our relationship has been rocky God allowed us to make things right just a week before his passing. You came too late to tell me God don't answer prayers!!! Thank you all for your love, prayer, support, flowers, food. Thanks for everything!!!! I Will always love you DADDY!!!!!!

That's ironic..cause I have the text u sent him the day he died n he was asking u to plz leave him alone txtng!! N u kept on any way. Yall never made things right,he did not tell u he loved u back, n kept the grandbabys away fom us, u hurt ur father in more ways than one, u took me to court 3 wks afyer he was buried!! Over our home of 13 yrs. Thinking i was ip to something!!! I was gonna sale it through Realstate try to make us 3 heirs a little money, but guess u think everyone else is as evil, untrusting, ungtateful, ungodly, vindictive, theif, disrespectfull, and a liar!. U even had the nerve to say he was n hell!! U opened bottom of casket and patted him down...said u was looking for a pocket knife!!! I could keep on, but Sam would tell me "peanut" ur waisting ur time!! N karma will come around if not here on earth.....on judgment day....U will stand bfore GOD as I will.....n I PRAY HE HAS MERCY ON UR SOUL!!!
