“ I will truly miss you Sammy. You were a great tv and game show show buddy. We spent thousands of hours sharing the game shows and westerns being room mates this past year. We had so many long and wonderful talks together. Also you were Our Cookie Monster there at the Facility where we were at. I hope your family will remember you in the many funny and wonderful times like we were able to share together. You are now healed and can see the squirrels and birds trees as well as the flowers that we talked about that was outside the windows there.
