“ I sure Miss you alot Sam, wish you were here with us still, you weren't just my big brother but you were like a Dad to me too. There isn't a day that goes by that I don't think about You, Connie, Scott, Mom, and Dad and wish you could all be back here with me. But someday we will see each other again in Heaven. Till then RIP and know that I Love You Always. I Feel so lost without you to talk too. I am alone now and on my own and it is hard to go on without my Family, but with God's help I have to go on and Live each day like it could be my last day here on Earth. Love & Miss You Sam.##imported-begin##Donna ##imported-end##
