“ We always enjoyed our visits with Uncle Todd whether it was in Michigan or Tennessee. He always made us feel loved and welcomed as he did with our children. We had fun no matter what we did with him and enjoyed his humor and amazing total recall stories! We didn't always agree with his political views, but it was okay he respected our views as we did his. We will miss him dearly. He fought good fight and is now in his deserved honored position.

“ I used to call him Mr. Nalepinski and he would always say please call me Todd. I found that so hard to do but, I finally done as he asked. He used to come to see me and tell me some stories of his younger days and I so enjoyed talking to him and listening to him. What a pleasant person. Always smiling. He will be missed. God Bless his family....

“ Todd was like a second father to me and helped me understand why it is so important to love. I will miss him dearly, but I'm glad his race is finished. His stubbornness, determination, and love for Ginny are the best memories I will carry. Peace to all his extended family.
Respectfully,
Bryan Condrey
