“ *Mrs Walker was my home bound teacher when I got pregnant my senior year. I was so so so scared and overwhelmed I just knew I was gonna have to drop out. She hugged me and told Me that I could do anything I wanted and if I wanted to graduate she would see to it. She brought me my homework every week and helped me if I needed it. I would have probably given up and dropped out had it not been for her. She will always have a special place in my heart and the hearts of may other students at LHS*

“ *Mrs. Walker will be missed by all. She was an exceptional person. A great teacher. She taught me typing and would pick on my style of typing. That was over 25 years ago and she would speak and jab at me whenever she saw me. She was loved by everyone. I wished more teacher had her compassion.*

If half of the people in the world could have the heart that this dear woman had, it would be a much better place! She will be greatly missed by all. She touched so many lives in her time here! My deepest sympathy is extended to her family, friends, co-workers, and students both present and past. To know her was to love her. Mrs. Walker loved BIG!!
