“ I worked with Susie at Humana Military in Augusta before she retired and I moved back to Atlanta. The 2 of us were Case Managers. I did the State of Georgia dependents. We went out to lunch together, socialized after work. I remember she stuck to that Adkins diet even on her Birthday!!! We made a cake with pork skin rinds piled up in the form of a cake with a candle on it for her birthday!!! When we had cake to celebrate Birthdays, she very quietly refused to eat some!!

I remember one time the water was cut off at work and the Case Management group trouped over to her apartment to go the bathroom. I was amazed her apartment was neat as a pin!!!

We loved having Susie as part of our group. I miss that group so much I make 1-2x year trips over for the weekend and to have lunch with the group. We had fun in a very tough job with alot of demands. I am so glad she retired and had at least a couple yrs of enjoyment. We were so envious that she could retire anytime she wanted. We tried our darndest to have her give up her smoking but she never would....

You had a very special sister, but I know you know that. I seems a shame she had to leave this world to soon....

“ I will truly miss Susie my friend. She was my wonderful boss out at the Minot AFB for Tricare. We had so many laughs together and I will never forget meeting someone that loved Tab soda as much as me. We were so far apart but remained dear friends when she left. “ Susie was great to know when I first started here at HMHS in Augusta, GA as she was not from this area either. We were both single at the time and shared some stories and had some dinners together. I know that Susie has gone to her eternal home and is now having dinner with the Lord. What a feast she must be having, no more pain, cancer, etc. just joy and singing. Bless all of you left behind with the memories she has left you. Praying for your strength .##imported-begin##Rose Martin##imported-end##
