“ I meet Terry when i dated his son. He and I grew to have a strong bond,and I considered him my "dad". He always told me i was the exception to the rules, and that I was one of a kind,he gave me strength i didnt know I had. It seemed he could tell when i was feeling down and he would call out of the blue and tell me everything was going ot be alright, I never knew how he knew i was down and out, but he did. He has been such a blessing to me and I miss him so much, I love you dad, and I hope you are up there working on those cars,and racing dirt track. You were such a good man, and i consider myself lucky to have known you, if only for a short while.###imported-begin###Beverly Burgess###imported-end##
