“ This is sad news that I am sorry to hear. I got to work with Tom for a number of years at Farm Credit. He consistently demonstrated integrity and passion for doing things right. I will never forget his kindness and willingness to help in many ways. One of my fondest memories is a time when he went out of his way to take me trout fishing on the Caney Fork one evening after work. I feel very fortunate to have known and gotten to work with him. My deepest condolences to all his friends and family. Greg Fischer
