“ To Judy and Family- Some folks are saying that Mike was a good man- I disagree; Mike was a Great and an Incredible man- It’s an honor to have known Mike and his family-I worked with Mike 30 years or more and enjoyed every minute I worked and taken the first break together many of those 30 years- I had high respect for Mike and a great friend- He was a special influential to Henderson County and his community he lived in and will be greatly missed- I will always have great memories of Mike, and our talks we had about Crystal when she played basketball for the Lady Bulldogs of Union University. Some of those subjects was when we talked about Crystal playing basketball at Union- I was so proud to watch Crystal play for Union University especially when Union won the National Championship and Crystal had a big part of Union winning the National Championship- I could go on and on writing memory’s about Mike and his family but this computer doesn’t have enough memory- I would visit Mikes wake and funeral but I will be out of town- “Please let me know if you need anything at all during this difficult time-“

Helen Keller once said; ” When it seems that our sorrow is too great to be borne, let us think of the great family of the heavy-hearted into which our grief has given us entrance. And inevitably, we will feel about us their arms, their sympathy, and their understanding.”
