“ Dear Lou and Family I just got the Progress today and saw Thomas L's obituary. I wanted you to know that I am thinking of you and remembering you in prayer. I know this has been a long difficult situation, but I also know that God has been there with you and He will never leave youall. I sure do have some very special memories all the way back in my childhood, and then your special attention to Mother and Daddy. I love and appreciate you and pray for God to continually hold you in His most special care. With my love and prayers, Nancy Leslie O'Brien##imported-begin##Nancy Leslie O'Brien##imported-end##

“ Shaunda, I just found out today from dad and mom about your dad. I am so sorry I did not know in time to come to the funeral home. Jessica doesn't know yet, she is at college, but she was home this weekend and would have come as well. My worst fear is losing my parents and I am so sorry for you and your family. My deepest sympathy to you.
your friend and in my prayers,

“ Shaunda,

I am so sorry for your loss. I did not know until I went to work this morning. I certainly would have come to the funeral home. Pass on my sympathy to the rest of your family. If there is anything I can do for any of you just let me know. You are in my prayers.
