“ *Dad you are missed so much. We all hurt so much without you. I just wish I had taken the time to walk in the shop before I went across the yard so I could have at least said bye and I love You. But at least God let me return and spend the few minutes with you before you left us. Mom is trying to be so strong but she has just lost her reason for going on. She has no pep to to her step any more. Every where we look your still here with us and it hurts we can't tell you how much you ment to us. But now you and Ken are there to watch over us. Sure you knew that already. Love and Miss You so much.##imported-begin##Sheila##imported-end##*
