“ I remember when Timmy first moved back to this area (TN). He came to our house to see Mom and Dad (Jimmy and Faye Maness). I will never forget how surprised Dad was to see you. It was then when I realized he must really care for you. Mom and Dad has known many people and had many friends that were close to them, but most of their friends didn't come inside our house much. That's how I knew things were different because you were allowed inside their home and around their children. Then 2 weeks later I realized that Mom and Dad was close friends with his sisters Cindy and Lisa. After being around the family; I saw that they cared for each other and always protected each other, and family meant came first. All this showed me through the years why Daddy cared for the family. When grandma passed away Cindy was there for my family and Timmy made sure my Dad was handling it right, and when we lost my Mom (Dad's Wife) Cindy was there beside us again, and Timmy checked on Daddy by phone although his Cancer was getting worse. When Lisa passed away at a young age I know the pain it caused Timmy because he told my mom and dad that he wished he could stop her from hurting, and he also stated "If I could take her pain away and put it upon myself I would do it no questions asked". I hope you are now able to talk to Lisa and see no suffering and say I'm here to protect you now, and I know that he would do the same for my Mom/ & Jimmy's Wife ( Velma Faye) until the Daddy and I can see her again. Timmy had a long battle with cancer but now may Rest in Peace in the house our Lord and may I pray for the family and hope they take comfort knowing you are no longer suffering.

We will Love and Miss U always. Jimmy Kaylee, and Brandy Maness

\*\*\* "There is different types of people you will come across in this world each day. But only a few have a kind loving heart. If you find someone like this, you should know they are special, and if your smart you will never let them go. If you knew Timmy, then you knew that you were lucky to have him your life."

“ *My deepest sympathy extended to the family. The world has lost a poetically blessed person. If you've never had the opportunity to read any of Tim's work, you've missed words that will stir your mind and soul. I will miss him dearly, but cancer and pain no longer owns him! He's with Jesus now.*
