I have really been upset by the other woman's post and been wondering how to respond to it for the dignity of a fine man that we recently lost Mr. Todd Bowman. If this is how you feel we cannot change that but please have the decency not to post it to the public especially on his Tribute to Honor. I was raised if you don't have anything nice to say don't say anything at all. I just hope you stop to think about what you have said for his family and the men in Blue to read. And just remember that when you are out and about or lay your head down on your pillow at night those so-called 9-5 ? cops are putting their lives on the line so you can do this. God Bless you and God Bless Todd Bowman, his family, and the Brothers in Blue!

“ I worked with Todd as a soldier in the Guard and a Police officer at LPD and I have never known a more dedicated man toward his country and community, he was a kind soul and a gentleman. I haven't seen him or spoke with him in many years, but I am proud that I have known and served with Todd. RIP.

Todd said. We dont give rides any more. A second later he said get in. And Todd took me to work anyway. Todd always was kind to me. We always had a good conversation. R.I.p. Todd.*
