“ *It was with a great degree of sadness that I read of Tommy's death. Although I have been away from Lexington for most of my life and now live in Richland, Washington, I remember Tommy with fond memories in High School and as the person who sold me my 1965 yellow Mustang upon my graduation from college. He was always friendly and gracious to me. His wife Carolyn was a classmate of mine and a good friend. My thoughts and prayers are with her and the entire Holmes family.*
