“ Uncle Tony was the best uncle ever. He always spent time with me and Wade, from taking us to Opryland, Shiloh National Park to the Memphis Zoo and the many movies he took us to see. I can't count all the things we did with him. One of the favorite things was when he would take us to work with him at the service station at Parkers Crossroads. For a kid that was the coolest thing ever. I will miss you always. With all the love in the world.
