“ Geandma, There is an emptiness that can never be filled now that you are gone. You loved with all your heart and I will never forget the love you always showed me. There are so many wonderful memories that you have left me that will last a lifetime. Your faith was always strong and I know you are in Heaven shouting Glory to God and He has a brand new angel with him now. I will miss you dearly but I know you were so tired. Every time I said "I love you", you always said "I love you better" but I don't know how that could be possible because I loved you with all my heart. Rest in Peace Grandma and like the song says, Let's meet by the river. All my love Vicki###imported-begin##Vicki###imported-end##

“ Grandmother,
I miss you so but I know you were so tired and ready to go home. I rejoice in the knowledge that you are with the Lord and when He calls me home I can be reunited with you. You gave me memories that I will always cherish in my heart. My prayer is I can be half the grandmother you have been to me all my life.
I Love You Better and Miss you.
