Danny, Don, and Mike and all of Vaughn's family. Vaughn was such a good man. He will be missed. He was like a second Dad to me while growing up. I spent a lot of time at your house. I always admired and respected Vaughn. He was such a great Dad to you guys. I always admired and envied all the extra things he did for yall. And you could tell, he did those those things because he wanted to. My family can't express all of their feelings for Vaughn, but he was so good and gracious to my family and did so much for them. Of course, Vaughn was there for anyone who needed help. He was just that type of guy. You know where your Dad is now. God bless
