To: Creasy and Chandler Family ~

So very sorry of Velda's passing and was so very surprised to see her listed in the obits. My favorite memory of Velda is her kindness and gracious spirit. When in high school I used to go home with her and spend the night with her and her family, they always welcomed me with such warmth. Her mom and dad were also very gracious people. One of my best memories of Velda was her ability and strength in sports. She always excelled and was an above average basketball player. I always thought so much of her.

*May the Lord give you grace
and strength in the days ahead
on this journey.*

*Psalm 116:15
Precious in the sight of the Lord is
the death of His children.*

*God Bless

*Andy,
 We are your old housemates from E. Main, Jackson in 1971. Tommy will never forget the night Velda through the firecrackers out of your kitchen window that fell in front of our bedroom window about the time he was putting his pants on. We often wondered where you ended up and what happened to the little blond headed Jon Paul. You and your family are in our prayers.
